Alpine Adventure Camp

Earlier last month, we brought over 20 campers to the hills of West Virginia for a week of outdoor adventure at Alpine Camp. Our teens had the opportunity to venture out into God's creation with skilled guides and participate in a host of activities from white-water rafting & rappelling, to hiking and caving. In addition to exploring God's creation, we were able to explore God's word through personal devotionals, gospel sessions, and daily services. The lessons learned, challenges faced, and friendships forged made this week truly unforgettable.

Plant Camp SLC

Late last June, 20 teens and 5 sponsors traveled out to SLC Utah to participate in *Plant Camp*; A teen ministry program hosted by Gospel Grace Church. During our time, we were able to learn about church planting, participate in community outreach, share our faith to unbelievers, and partner with a small church in door-to-door canvassing. Through this trip, God challenged us to see the needs around us and to seek to meet those needs with the hope of the Gospel. We look forward to

Sunday Afterglows

I am pleased to announce the relaunch of our our Sunday Afterglows this Fall! Beginning this October, we will gather together at a host home for a time of food and fellowship.

Afterglows will be held immediately after the evening Sunday School hour on the fourth Sunday of each month.

If you are interested in hosting one of our Afterglow activities, please contact Dana Foster.

the various ways we can take what we've seen and learned in SLC and translate that into our own church and community context.

Vacation Bible School

We praise God that we were able to we to host Vacation Bible School in our church facility last month. The youth group played a vital role in virtually every aspect of the program. From opening skits to daily Bible lessons, our teens served faithfully and were

instrumental in making the week a success. Although we expected the pandemic to bring a decrease in attendance, we were so grateful to see a significant number of guests show up from the community. Our earnest prayer is that the biblical truths these young people heard, sang, and saw would take root in their hearts, and that God would bring many to Christ.

Teen Program 2021-22

Beginning Wednesday, September 8, the youth group will embark on a journey through the Psalms. During our Sunday School hour, Pastor Jon will teach through a select Psalm, and during our midweek program, we'll discuss the psalm together in our small groups (G.R.A.C.E. Groups). In addition to the small group discussion, the midweek program will include activities, singing, testimonies, and fellowship. Our theme for this year's study is ***The Songs of Scripture***.
